

# THE PATH TO HIGH PERFORMANCE: *IT ALL BEGINS WITH ME*

In this fast-growing economy, personal and professional development has become more important than ever to help companies keep up with the demands placed on them. A fuller awareness of ourselves is the first step in the journey to becoming a high-performing employee and leader. This four-part series gives you a clear understanding of yourself and others to enhance your communication effectiveness, ability to perform on a team, strengthen your decision-making ability and increase your productivity. Sign up for any number of these sessions. Those who complete all four will earn a *Certificate of High Performance Leadership*.
